Descriptive Report

A Report about the One Day Webinar conducted by department of Computer Science and Information Technology and IPR cell of Satish Pradhan Dnyanasadhana College On “The Licensing Regime of OSS “ was organized on 20th of September 2021. Mr. Girish Basarkar an experienced Intellectual Property and Technology Lawyer, San Jose, California, United States was the speaker of the day. There were more than 120 to 125 attendees present. One of the reasons for this massive response was because OSS has an amazing Future and is very interesting for young students. The Webinar was conducted in MS-Teams Platform, link for joining the webinar was circulated among stakeholders. The opening remarks and the introduction for the program were done by Asst Prof (Dr)Shilpa Hatewar, a faculty from CS/IT department. Dr Shilpa Hatewar introduced the Speaker of the day, Mr. Girish BasarkarHe then highlighted the importance of Open-source software, he shared that today OSS has not only allowed programmers to write increasingly complex software – but also democratized the software industry where off-the-shelf modules are available for even small programming teams to build larger-than-life software platforms and applications.

The whole idea behind publishing software with an open source license is to make it available for everyone to understand its internal functioning, which they may use to build over it, and make it better. The speaker of the day Mr. Girish Basarkar Spoke about the legal issues with OSS and compared the weak and strong copyleft licenses and also shared his thoughts about intellectual property rights and OSS and gave various real-life examples too.. Later on, there was a Q&A session where Mr. Girish Basarkar answered many questions of the students. He also explained and gave various examples too. In addition to that, he suggested various applications and skill sets for the attendees to work on. In the end, Dr Shilpa Hatewar gave the Vote of Thanks. She thanked Mr. Girish Basarkar for sparing his time from his busy schedule and sharing his insightful and informative knowledge about OSS to the attendees present. He also thanked the Members and coordinators of CS/IT dept. of Satish Pradhan Dnyanasadhana College for organizing such an event and making it a successful one.
