I. Process flow for M.Sc IT

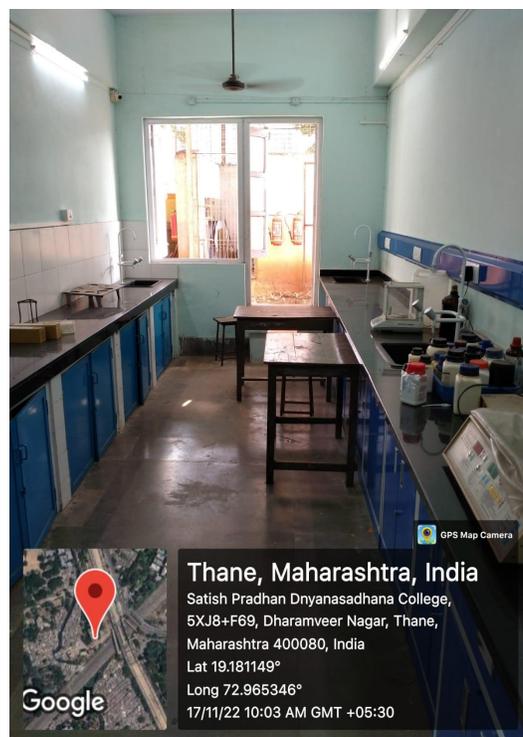

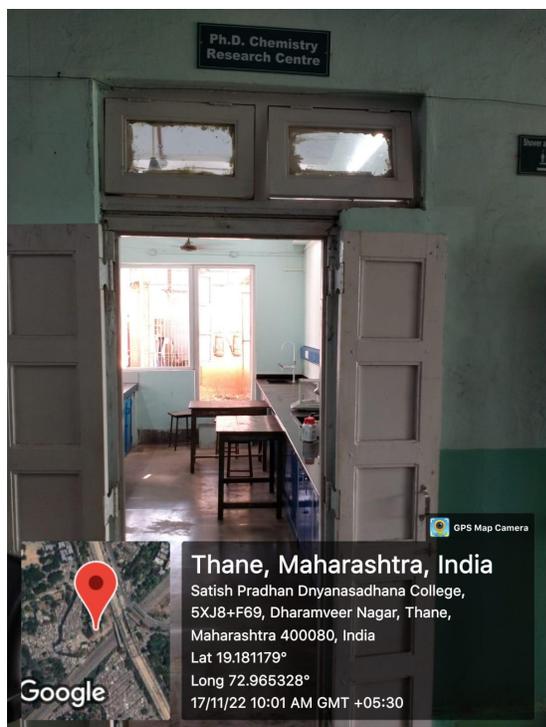

The proposal was sent to University Of Mumbai for starting the course in Msc IT. LIC team was appointed by University of Mumbai for inspecting the premises and other arrangements required for the course. They visited all the IT labs, checked the number of systems available as well required technical set up.

A library visit was also arranged to check the sufficient availability of reference books required for the course. Later, an email was received on institutional official mail from the University of Mumbai. A Govt. order & University letter of sanction of the course was also received.

II.Process flow for Ph.D in Chemistry

Annual LIC visit was conducted by the University of Mumbai Team for an existing Ph.D course in Chemistry. After monitoring the infrastructure & lab equipment, chemicals, Alcohol room, fuming hood the committee recommended to apply for additional seats. Accordingly, institutions applied for the same. Proposal is in the process of approval.
