Women in Unorganized sector In India and Impact of Covid 19

Concept Note -

From centuries, there is unequal division of domestic chores, women are supposed to accept almost entire responsibility of domestic chores. This reduces their chance to participate in labour force. Covid 19 pandemic has worsen the situation. India recorded lowest Workforce participation rate among women in the world in 2019. The International Labour Organization (ILO 2020) report mentions that because of COVID-19, 400 million informal sector workers are at risk of being thrown into poverty in India. Women in unorganized sectors like front line workers, domestic workers, waste-pickers are expected to get affected the most.

In this context, The **Department of Business Economics** and **Commerce** along with "Team **Being Me**" are happy to organize a session on **"Women in Unorganized sector In India and Impact of Covid 19"** by an eminent researcher in the field of labour in informal sector and a consultant and external collaborator at International Labour Organization (ILO) **Dr. Suchita Krishnaprasad**

"Being Me" is an initiative to focus on different social concerns such as problems of LGBTQ ,Divangajan, Personal hygiene and Health, problems of workers in unorganized sector. The theme of "Being Me" is sensitization of stake holders towards such problem. One of the primary objectives of "Team Being Me" is to help workers in unorganized sector to enhance their skills.

Thus, the interactive session by the guest of honour will help us to understand problems of women workers in unorganized sector specially after Covid19 pandemic.

Interaction with Kareena Ade (Maharashtra's first trans taxi driver) by BeingMe & BAMMC on 25th February 2022

जागतिक महिला दिनच्या शुभेच्छा...

तु असतेस म्हणुन नाही,
तर तुझ्या नसल्याने आमची तारांबळ उडते
म्हणुन तुला "Happy women's day"

तु खुप बोलतेस म्हणुन नाही,
तुझ्या शांत रहाण खायला उठत
म्हणुन तुला "Happy women's day"

तु हसतेस म्हणुन नाही,
तर त्या हसण्यात आमचा आनंद सामावलेला असतो
म्हणुन तुला "Happy women's day"

तु रागवतेस म्हणुन नाही,
तर तुझी काळजी दिसते
म्हणुन तुला "Happy women's day"

तु बाहेर पडतेस म्हणुन नाही,
तर तु स्वताला झोकुन देतेस सगळ्यात
म्हणुन तुला "Happy women's day"

तु लाजतेस म्हणुन नाही,
तर तु न लाजताही खुप सुंदर दिसतेस
म्हणुन तुला "Happy women's day"
