Descriptive Report of the certificate course in Computational Mathematics.

The Department of Mathematics and Statistics organized an offline Certificate course on Computational Mathematics from 16th January, 2023 to 3rd February, 2023. It was a 30-hour duration course consisting of theory and problem-solving sessions.

94 students registered and all of them successfully completed the course with examination and certification.

Objective of the course was to spread awareness of computational mathematics among Arts faculty students.

The basic computational mathematical tools are indispensable in modern day life. With this aim the learning objective for this course includes:

Basic calculations of simple interest, compound interest. Calculation of Annuity, future and present value.

Calculations in Shares and Mutual Funds. Concept of Probability, Decision Theory.

The inauguration of the course was done by Head of the department of Mathematics and Statistics, Dr. Shubhada Nyayte. She explained to students the need of the course along with the regular degree program and encouraged students to complete the course.

The course consisted of 5 modules with theory and practice sessions. Faculties from the department Mrs. Anjali Deshpande, Prachi Bakle, Mrs. Mousami Patil, Dr. Sultana Begam and Mr. Mohit Sonawane were the resource persons for the different modules of the certificate course.

A combination of multiple-choice questions and a subjective question test of 50 marks was conducted at the end so that students can evaluate themselves. Feedback link was shared to students which gave us an insight to update and to overcome our shortcomings and head towards betterment for our next course. Indeed, the course was very participative, informative, useful and we sincerely hope that the course has motivated many participants.

Acknowledgement

The Department of Mathematics and Statistics is very grateful to our honourable President Satish Pradhan, Secretary Shri Kamlesh Pradhan, Joint Secretary Mrs. Manasi Pradhan, Treasurer Shri Satish Seth, Principal Dr Ganesh Bhagure, Vice Principals and departmental colleagues for supporting us to conduct the certificate course.
