ABOUT THE COLLEGE

Satish Pradhan Dnyanasadhana College, named after its Founder President, the legendary First Mayor of Thane city, and the champion behind many prized landmarks in the Lake City, is a prestigious institute dedicated to the field of academics from the year 1980. College offers courses right from HSC to PhD and boast of being a centre for the fifth Open University in the country, the prestigious Yashwantrao Chavan University. Moreover, students will find the company of warm and friendly teachers with an unparalleled academic record which is further nurtured through an enviable research culture.

ABOUT THE CONFERENCE

In the words of John Emmerling, Innovation is creativity with a Job to do. Today Innovation has become an integral part of human lives as we strive to bring in more ways to make our lives luxurious and comfortable. But a mere invention loses its ground to the fact that we have set our standards so high that we look to invent something which would bring a life changing experience in what otherwise is our normal lives. There comes the concept of Breakthrough Innovations which makes us achieve, what otherwise would have been unimaginable.

This conference aims to lay down a platform for such inventions and thereby provide the researcher the opportunity to have a detailed study and discuss about such Breakthrough Innovation.

OBJECTIVES OF THE CONFERENCE

1. To inculcate the habit of entrepreneurship among students and academicians.
2. To understand /study new innovations in the industries.
3. To stimulate the creation and growth of intellectual property by undertaking relevant measures on innovations.
4. To create environments and state-of-the-art facilities for generating and studying the creation of break through innovations.
