**It gives me immense pleasure to present the Internal Quality Assurance Report (IQAR) to the authorities of National Assessment and Accreditation Council. We have made sincere efforts to reflect the mission and objectives of our college through this report.**

**Established in 1983 we have today past the threshold of more than two decades. Hosting more than 2836 students, we have built our own 'class of students'. The focus of our activity has always been the 'student' and to give our students that 'little extra'. We strive constantly to impart knowledge to them beyond the classrooms through workshops, seminars, visits, guest lectures and provide a platform to them to unleash their talent through competitions, cultural events, elocution, debating, drama, theatre and a host of activities. Along with full-time experienced teachers, we have several visiting faculty coming from various industries for self-financing courses like B.M.M., B.M.S. etc.**

**This report is the reflection of all our sincere efforts and achievements in the direction of imparting excellence in education. It has been our sincere effort to follow a systematic approach in the preparation of our IQAR.**

**We hope that our IQAR report fulfills the expectations of the National Assessment and Accreditation Council.**
