

MIND ROID

From the Editor's Desk

Dear Readers,

It gives me immense pleasure to unveil the first edition of “Mindroid”, the Newsletter of the Department of Self-finance Courses of Satish Pradhan Dnyanasadhana College. It showcases the plethora of activities conducted by BAF, BAMMC, BBI, BMS and BSC IT & CS departments of the college.

It was a learning experience personally as the editor of this newsletter and it has definitely helped me sharpen my reading and writing skills.

I am grateful to the Management of our college for providing this opportunity. I am thankful to our Principal Dr. Ganesh Bhagure sir, Vice-Principal - Self-finance courses, Dr. Shraddha Bhome and HOD - BAMMC Department, Dr. Sarika Sagar for being a strong support in this journey. I am also thankful to all my colleagues for sharing the required information promptly. My special gratitude to Ms. Neharika Kale, TYBAMMC Journalism student of our college, for being the force behind designing this newsletter.

I hope that this newsletter gains momentum in the coming years and grows to represent the spirit of our college in the future.....

Yours Sincerely,

**Ms. Sitalakshmi Ramakrishnan,
Asst. Prof., BAMMC Department.**

BAMMC

Industrial Visit to FTII, Pune

**Date : 6th Feb 2023**

The Department of BAMMC had organised a One Day Industrial Visit of the department to Film and Television Institute of India located in Pune. Students from FY, SY and TY were part of this visit. The students got a first-hand experience of Sound recording during TV program production and were explained how different camera angles and sound were selected while shooting a program. After that they were taken to the Camera room, where they were shown the Technicolour camera and Professional camera with different lenses. The students also got the opportunity to see how different studio designs were made. Finally, the students were taken to the Re-recording theatre, where dubbing takes place after the shooting of a movie or serial has been completed.

The students had a good exposure to all the work that goes behind the creation of a movie or TV program. 48 students were part of the visit and it was very inspiring for the students.
